

### **Manitoba Pro Squash Series Presenting Sponsor Player Package**

Financial support for tournaments is vital and greatly appreciated. Every dollar raised goes to prize money. This helps to increase competitiveness and interest in the tournaments, which benefits all players.

Player packages are available which include the \$100.00 Series entry fee and a listing as a presenting sponsor. The cost for the package is \$300.00.

The series entry fee is valid for all of the series tournaments for the 2013/2014 season. It is also transferable. For example, if you wish to purchase the player package, but do not want to play in the series, you may transfer the entry to another player. It is valid for one player for the season.

It also includes a listing on the Series poster which will be on display at all Series tournaments.

If you have any questions please contact any of the Series player's committee ;
