

SQUASHTV

SQUASHTV is the official online TV platform of the Professional Squash Association - and in 2016/17 it will be showing more than 450 live matches featuring the world's best players.

Launched in 2010, SQUASHTV offers high quality live action, on-demand replays & highlights as well as interviews, features and archive footage.

SQUASHTV runs on a subscription basis. Fans can buy passes to watch the world's top stars in live action as well as unlimited access to on-demand video. Subscribers can watch on a wide range of devices whenever and wherever they want.

Prices range from \$13.99 USD per month to \$119.99 USD per year for an annual subscription, allowing fans to stream matches from 20 of the season's biggest events including:

- Men's and Women's World Championships
- PSA Dubai World Series Finals

Squash Manitoba and Squash Canada have partnered with SquashTV to bring members an exclusive opportunity to view some of the world's best squash players as they compete on the PSA World Tour, all at a discounted price. We are thrilled to offer **a 25% discount** on SquashTV subscriptions and provide members to watch squash being played around the world from the comfort of their home and while on the road travelling to squash tournaments themselves.

Subscribe to SquashTV with your exclusive code today and enjoy:

- A discount exclusive to Squash Manitoba members that gives you a savings equal to the cost of your Squash Manitoba membership.
- An opportunity to view over 450 live matches in the 2016-17 season, as well archived footage of past thrilling matches.
- A discount on the subscription that fits your needs best – receive 25% off either Monthly or Annual subscriptions.
